School Newsletter

October 2025

🏫 Principal's Welcome

Dear Parents and Guardians,
As we reach the end of another busy month, thank you all for your continued support and encouragement. It is really appreciated.

📰 School News & Announcements

We're delighted to say that our school website has been updated and will continue to be a valuable source of news and information throughout the school year. A big thank you to Tim for his time and effort in making it look so fresh and inviting. It will be a great way to stay connected with all that's happening in our school and we look forward to adding lots more updates and photos as the year progresses

🎉 Student Highlights

Maths Week Fun!: October has been full of curiosity, and hands-on learning as we celebrated Maths Week throughout the school.

The school was alive with maths in action, from Maths Eyes Trails and Walkway Additions to Magnetic Patterns, 3D Shape Stations, Estimating and Weighing and exciting Scavenger Hunts with Ciara.

A special thank you to our fantastic 6th Class students who helped organise and run the maths stations. Their enthusiasm and leadership made it a great experience for everyone.

Music with Mary Finn: We were delighted to welcome Mary Finn back to the school this October as music lessons resumed. It's great to see the children picking up right where they left off with their tin whistle tunes from last year! There's a lovely buzz in the classrooms once again, and the children are looking forward to adding even more pieces to their repertoire in the year ahead.

Author Visit in the Library: A big thank you to Krista for organising a very special Author Visit in the library. The talented Patrick Ryan entertained the children with his captivating storytelling, weaving together folk tales, mysteries, and riddles that kept everyone spellbound. It was a great experience that inspired imagination and laughter from Juniors to 6th!

Active Flag Skipathon: Our Active Flag Skipathon was a great success and full of fun! The children enthusiastically combined their skips to reach exciting "destinations" such as Mont

Blanc, Lake Victoria and even Mount Everest. It was fantastic to see everyone so active and motivated, working together towards each goal.

Pumpkin Carving in the Senior Room: To round off the month, the Senior Room got creative with some pumpkin carving. The students designed and carved wonderful pumpkins, which were proudly displayed at the school's front door.

🗓️ Dates to Remember

Reminder: The school is closed tomorrow, Friday 24th until Tuesday 4th of November.

📝 Finally..

Well done to all pupils for their hard work and positive attitude these last few weeks. Enjoy the well-earned rest, and we look forward to welcoming everyone back refreshed and ready for the rest of the term.
